Dear Sir,

We are pleased to introduce you the new way of packing your Paper Reels.  
Please see the attached video and the picture.

**Replacing "Fiber Bag" (raffia bag) by stretch film.**

**Our valued customers using out stretch film AND Machine are:**

- 1- M/s Dev Priya Industries, Meerut.
  - 2- M/s Shree Bhageshwari Papers, Muzaffarnagar.
  - 3- M/s Shree Krishna Paper Mill, Behror.
  - 4- M/s Sainsons Paper Mills, Pehowa.
  - 5- M/s Century Pulp and Papers, Lalkua.
  - 6- M/s East West Product Limited, Khatema.
  - 7- M/s Khatema Fibers Ltd, Khatema.
  - 8- M/s Sangal Papers Ltd, Mawana.
- And So on.....

**Benefits of using Stretch Film:-**

- 1- Increase in OUTPUT.
- 2- Convenient as compared to Fiber bag (tat).
- 3- Moisture Proof (Saves papers moisture during HOT DAY)
- 4- Water Proof. (Saves Paper during transportation during Rainy Season)
- 5- No variation in Weight of paper during transit from Mill to Paper Dealer.
- 6- NEW TECHNOLOGY.
- 7- LESS LABOR REQUIRED.
